

## **A Jesus is Peace to Our Nation – January 7, 2021 Ω**

“The Nation’s peace is upon Me, sayeth the Lord.” 10:30 a.m. (Isaiah 53:5 = For He was wounded for our transgressions, He was crushed for our iniquities, upon Him was the chastisement of our peace, and by His stripes we are healed.

Jesus - “A nation of pride and ignorance is what America has become. Little by little, a slow fade if you will, has succumbed her to a place of insolence against me and a hard heart to the things that were built into the roots of a great and upcoming nation. The nation that once gave reverence to Me, loved Me with every fiber of their being, has been infiltrated to a point that mimics the earth when I take My children, My army, My bride home. There is an increase in time, an uprising by the enemy, but he is a liar and he is defeated. They that follow him as children of darkness do so with a viewpoint that they have an actual place of authority waiting for them in his nonexistent kingdom. There is no kingdom for him to rule and reign within. He uses smoke and mirrors, even his ability to dupe those with light and falsities has come to an end. He uses darkness outright because he has no further ways to mask his appearance. Sadly, these followers do not even “bat” an eye at his forthRIGHTness, they take it in and they swallow the kool-aid. Jim Jones used a lulling to get his followers into the wilderness of doom. The current cult practices are in open and celebrated. Woe unto a nation that stands with the enemy wholeheartedly in the defiance they once exhibited in their closets and underground. I say woe unto an evil nation of citizens and followers. There are more of you with Me, than against Me, I see you, I see where you are, I see your words, your prayers and your deeds. I see your daily faith, your walk and your actions amid the vipers that slither around your streets, markets and neighborhoods. I see the actions within the offices, the plants and the corporate world. They are all making a stand, I shall know the side that they choose, I am taking note of their allegiances.

It is no longer to a flag of a nation that was UNDER GOD. They have chosen their false gods, you have seen them pray unto satan from high places of authority, authority they have stolen away from the people of a united nation. I told you that the nation was no longer united, I am not taken by surprise, nor am I sitting quietly on the sidelines. You know that one day, in Heaven, Lucifer led a revolt against Me and I allowed it to take place. I wanted to see where the allegiances LIED. I saw to it that he and his cohorts were cast out. They had an opportunity to choose Me and they did not. Some lamented later on, but it was too late, Enoch told them that I would not hear their CASE. I would not change my mind based upon their plight.

Today, a great nation is being weighed, they are making choices that are lasting and some will not be given another chance. I will not hear their case at a later date because they are not choosing Me with a heart of flesh. A heart of stone will not be allowed to speak to Me. It is imperative that My church rise up and bring forth a HOLY FIRE upon MY LAND. I gave America to her people, the people that loved Me and bore their cross for Me, that was something to behold, it was no easy task. The treachery and the debauchery that went forth across the land when the forefathers stood for Me...time forgets the toil and the loss. The blood that still cries out to Me for justice shall be avenged in the days ahead. There were murderers among those that took an appearance of a noble cause, to spread "civilization" across these "united" states. There was much that was not civilized, there remains much that is not united and We find ourselves at the crossroads you have heard many of My prophets speak of. The changes ahead are not for the faint or weak of heart. My heart must be within you, My focus must be your focus, My ways must be your ways. Without My direction you will lose your footing and your security. I am your peace in the midst of the storm. You must take My hand when you get out of the boat. Burn the ships, for King & Country indeed, you've already been told to do so, heed and follow

Me as we navigate this land, the land that I gave to you, I rededicate it back to My people. I ask you to join with Me in this FINAL CAUSE. We have a President that needs support, a President that needs an honest dose of love and prayers from a heart that understands what it is that I am doing and what it is that I require. I require a loss of SELF, a suppression of your flesh, a denial of your will, a denial of what you think should be, a denial of fear. I AM.

I am the peace of this nation, it is not in the natural, it is supernatural and only comes through Me. The nation was exposed to the enemy yesterday, once again. He has an agenda that he will carry out and I will allow things to go...for a time, for My purposes, not his. People say I must act, I must show Myself. I have shown Myself to them and they dishonor Me, My name, My people and My ways. They willingly choose the enemy. I AM doing something, My ways are not your ways.”

Father God – “Some ask, and they ask often”...

“If God knows all things, why didn’t He handle Lucifer in Heaven? If He knew of all the evil and the chaos, why did He allow him into the earth? Why didn’t He annihilate him when He found evil within?”

“I create from a heart of Love, I create perfection. I give in love the freedom to choose, the free will of a created being. Not a clone, a robot. There is nothing greater than love. I allow things to run their due course. I know the timing of that (due course) within a realm that is not accessible any longer to man. Adam and Eve, they had an assignment, they started the time of mankind. They did what I asked them to do. It wasn’t an easy assignment. None of My children’s assignments are easy. There isn’t a second chance for the enemy of your souls and his followers that left their Heavenly station. They saw Me face to face. You know Me, I fashioned you and placed you in your mother’s wombs. You have the option to choose Me and return, you have the option to deny me and face your doom with those that already know their fate. My

ways are not your ways. Many of you that are not walking in your authority think and examine things in the natural and you will not know all the ins and outs of what is happening in the spirit realm, not all things you have believed or have been led to believe are true. Revelation comes through a surrendered heart and a relationship with my Son, your Savior, Jesus Christ. Murder is at the heart of the enemy; contempt is at the heart of his order. Contempt of the natural courts upon the earth. The assignment to overrule his authority has been handed over to my children, as part of their Divine assignments. I cannot do their assignments for them, however, I can and will give them the tools to overcome the world, the flesh and the devil. My Son was sent to bring The Nations peace, He paid for that peace with His own blood, blood in the natural sense of your world. His blood is there upon the land. Spirit will meet BLOOD.

Sure, people want to know why I allowed satan into the earth, the atmosphere. You were within the heart of Me, always, I created you and sent you out because you agreed to it. You were there when the uprising took place against... US. You were there when the battles were raging and Heaven was warring against these seeds of iniquity. They called US out and You and I were in agreement to the strategies that were set in place. There is an order and a WORD that I uphold and stand by. I AM MY WORD. You will see more about that one day, when you arrive back home and We celebrate the victory...all of the victories over the centuries.

Jesus – “The threads of all OUR words this morning can be summed up into this. This isn’t about a Presidency; this is about Eternity. Those that are not truthful, those that are not standing by the constitution of the United States, those that rise up and cause harm, those that bring chaos and confusion. They are heading to one fateful end. Heed The Spirit and follow your assigned purposes and destinies. Come out of time and do the Will of My Father in Heaven. He gave you to Me, from the beginning, you were fashioned for this time upon the earth. The earth needs the

messages that are shared with you through The Spirit. We must get these messages out, out into the atmosphere. We must walk upon the land and sing songs of victory. We must put up outposts of HOPE AND LIGHT. There will be a great need for supplies, there will be a great need for supernatural provisions. Only my assigned bearers, my assigned Ambassadors will have the needed provisions. You must listen to the Spirit and follow each step. The wealth has been laid aside for you.
